

THREE BIG QUESTIONS

For this activity, give each student a 3x5 index card. Invite students to think about the key events that have influenced who they are today and about the specific ways they can become even better tomorrow.

- ▶ Read the three big questions below and instruct students to record their thoughts on their index cards.
 - 1 What's the single biggest thing you can imagine that will help you grow or to change your life?**
 - 2 Who do you need to affect, influence or take with you to be successful?**
 - 3 What perceptions, habits or beliefs do you need to build, change or reinforce to reach your goals?**
- ▶ Remind students that asking these questions will help them set big goals and make positive changes. Encourage students to keep their index card in an important place so they can refer to it often as they work to make changes in their lives.
