

## **PASSING THE PITCHER**

- ▶ Divide students into teams to complete this activity. Give students the following instructions and discussion questions for the activity.
- ▶ Sit in a circle with your team and without using your hands, pass the pitcher all the way around the circle.
  - Q What skills did you need to complete the activity?**
  - Q How did you work together to pass the pitcher?**
- ▶ Now sit in a circle and try the activity again. This time, fill the pitcher with a substance selected by your teacher and pass it all the way around the circle without using your hands
  - Q What new skills did you use this time to complete the activity?**
  - Q How did your team work differently to pass the filled pitcher?**
